PRODUCT DESCRIPTION

Parkour series is a competitive and multi-user product that encourages the user to speed and agility. It allows the user to use his motor skills with functions such as running, climbing, jumping, crawling, balancing and sliding. It allows the user to compete with other users in the game and improves the awareness of competition. Teaches the feelings of winning and losing.

The user is intended to pass the balance product by hopping and crawling with quick movements.

ACTIVITIES

- Bounce
- Crawling
